

# B no SOL

BEAUTY SOLUTION

# Concept

---

In the rush of everyday life,  
even skincare can sometimes be put aside.

BnoSOL was created to align with the modern lifestyle.

Through advanced nano technology,  
moisturizing ingredients such as hyaluronic acid and  
ceramide-like components are refined to enhance affinity  
with the skin, delivering hydration and radiance gently to the  
stratum corneum.

Light in texture yet deeply moisturizing,  
BnoSOL transforms daily care into a moment of self-care.

As beauty and confidence deepen with age,  
BnoSOL supports skin that radiates from within.

# Main ingredients

---

## BnoSOL's Signature Five Beauty Components

### Squalane

A deeply penetrating oil that replenishes moisture and strengthens the skin's barrier for a silky, radiant finish.

- Delivers lasting hydration
- Promotes natural skin renewal
- Helps clarify and refine pores

### Hydrolyzed collagen

A highly hydrating ingredient that works with collagen and hyaluronic acid to sustain long-lasting moisture.

- Keeps skin firm, elastic, and plump
- Boosts collagen and hyaluronic acid production
- Supports healthy skin turnover

### Ceramide

Refined through nano-technology, it blends seamlessly with the skin to lock in moisture and reinforce the barrier against dryness.

- Provides deep hydration and barrier support
- Protects against UV rays and environmental stressors

### Water-Soluble Proteoglycan

Water-soluble collagen that penetrates deeply to balance moisture and oil, leaving the skin supple and luminous.

- Enhances elasticity and resilience
- Prevents roughness and irritation
- Promotes a smooth, even complexion

### Hydrolyzed Hyaluronic Acid

Refined to be more water-soluble than regular hyaluronic acid, it delivers deep, enduring hydration to the stratum corneum.

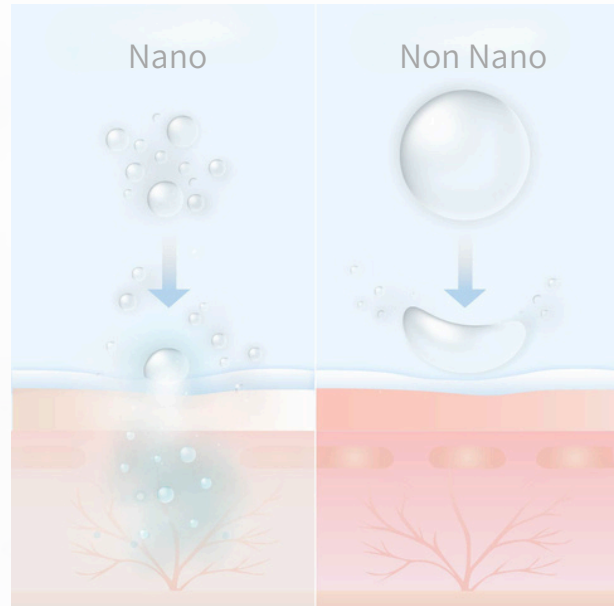

- Increases moisture for soft, supple skin
- Smooths fine lines and enhances resilience
- Shields skin from UV damage and early signs of aging

# Nano technology

Advanced nano-science for exceptional absorption and a silky, lightweight feel.

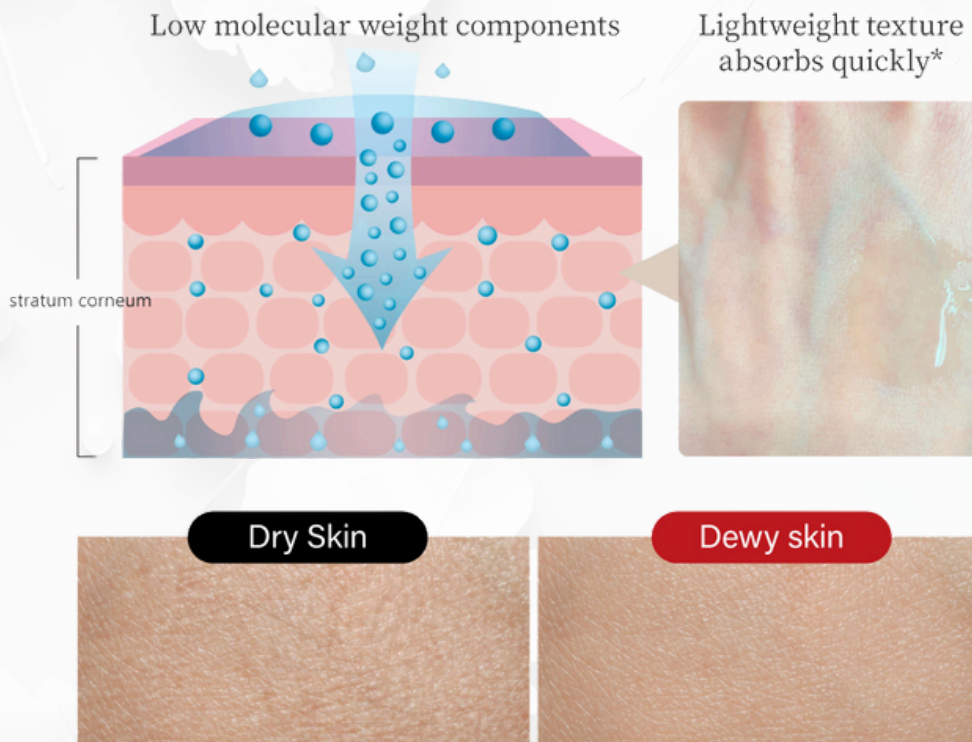

Crafted with cutting-edge nano-technology, BnoSOL's base ingredients are finely refined to harmonize effortlessly with the skin.

Oil and water are blended uniformly at a microscopic level, enhancing absorption and creating a luxuriously smooth texture.

Achieving “low molecular weight” with a unique process  
—without petroleum-based surfactants.

This technology allows lightweight components to penetrate deeply into the stratum corneum, leaving skin soft, dewy, and hydrated.

# Products

---

## BnoSOL Nano Clear W Cleansing

120 g ¥2,480 (incl.tax)

---

— *Purifies nourishes your skin with beauty ingredients* —

Gentle coconut-derived cleansers lift away makeup and impurities, while nano hyaluronic acid helps maintain softness and lasting hydration.

**Free from six additives:**

parabens, UV absorbers, ethanol, synthetic colorants, silicones, and mineral oils.

## BnoSOL Nano Moisture Lotion

150ml ¥3,480 (incl.tax)

---

— *Wraps your skin in a veil of deep hydration after cleansing* —

A lotion enriched with nano-sized beauty actives. Infused with nano ceramide and hydrolyzed hyaluronic acid to restore the skin's moisture balance, revealing smooth, dewy, and radiant skin.

**Free from eight additives:**

Petroleum-based surfactants, parabens, UV absorbers, ethanol, synthetic colorants, silicones, mineral oils, and synthetic polymers.

# Product

---

## BnoSOL Nano Moisture Serum

30ml ¥7,700 (incl.tax)

---

— *Deep hydration × Barrier boost × Antioxidant care* —

A rich, deeply hydrating serum infused with nano hyaluronic acid and rare ceramide-like ingredients. It penetrates the skin's surface to restore moisture, firmness, and smoothness, revealing a resilient, radiant complexion.

**Free from eight additives:**

Petroleum-based surfactants, parabens, UV absorbers, ethanol, synthetic colorants, silicones, mineral oils, and synthetic polymers.

## BnoSOL Nano Moisture Emulsion

120ml ¥3,780 (incl.tax)

---

— *Balances oil and moisture for healthy, luminous skin* —

A lightweight emulsion enriched with nano beauty actives. Formulated with ceramide-like components and squalane to support the skin barrier, plus vitamin C derivatives for enhanced clarity and glow.

Its silky, non-sticky texture keeps skin fresh and comfortable, even before makeup.

**Free from seven additives:**

Petroleum-based surfactants, parabens, UV absorbers, ethanol, synthetic colorants, silicones, and mineral oils.

## BnoSOL Nano Moisture Cream

50 g ¥5,980 (incl.tax)

---

— *Deep Hydration × Barrier Care × Anti-Aging* —

A luxuriously rich yet lightweight cream that seals in moisture. Enhanced with nano-sized ingredients, it melts effortlessly into the skin, leaving it soft, supple, and deeply hydrated without any stickiness.

### Free from seven additives:

Petroleum-based surfactants, parabens, UV absorbers, ethanol, synthetic colorants, silicones, and mineral oils.

## BnoSOL Travel Set

Set of 10 sachets ¥1,100 (incl.tax)

---

Cleansing Gel  
Lotion  
Serum  
Emulsion  
Cream

2 sachets of each ( 3 mL/g per sachet)

## BnoSOL Trial Set (with Drawstring Pouch)

Set of 25 sachets ¥1,980 (incl.tax)

---

Cleansing Gel  
Lotion  
Serum  
Emulsion  
Cream

5 sachets of each ( 3 mL/g per sachet)

## Nano Clear W Cleansing

Water, Dipropylene Glycol, PEG-7 Glyceryl Cocoate, PPG-30 Buteth-30, Pentylene Glycol, PEG/PPG/Polybutylene Glycol-8/5/3 Glycerin, Carbomer, Potassium Hydroxide, Xanthan Gum, Tocopherol, Sodium Metaphosphate, Squalane, Hydrolyzed Hyaluronic Acid, Glycerin, Butylene Glycol, Tetrahexyldecyl Ascorbate, Cerebrosides, Hydrolyzed Collagen, Soluble Proteoglycan, Phenoxyethanol, Fragrance

## Nano moisture Lotion

Water, Glycerin, Pentylene Glycol, Butylene Glycol, Squalane, Dimer Dilinoleyl Dimer Dilinoleate (Phytosteryl/Isostearyl/Cetyl/Stearyl/Behenyl), Xanthan Gum, Sodium Citrate, Hydrogenated Lecithin, Sodium Glutamate, Citric Acid, Cholesterol, Tocopherol, Jojoba Seed Oil, Olea Europaea (Olive) Fruit Oil, Oryza Sativa (Rice) Germ Oil, Hydrolyzed Hyaluronic Acid, Tetrahexyldecyl Ascorbate, Cerebrosides, Hydrolyzed Collagen, Soluble Proteoglycan, Phenoxyethanol, Fragrance

## Nano Moisture Serum

Water, Sodium Hyaluronate, Polyglyceryl-10 Laurate, Hydroxypropyl Cyclodextrin, Hydrolyzed Hyaluronic Acid, Glycerin, Butylene Glycol, Tetrahexyldecyl Ascorbate, Squalane, Cerebrosides, Pentylene Glycol, Hydrolyzed Collagen, Soluble Proteoglycan, Butyl Carbamate Iodopropynyl, Phenoxyethanol, Fragrance

## Nano Moisture Emulsion

Water, Glycerin, Pentylene Glycol, Dipropylene Glycol, Squalane, Dimer Dilinoleyl Dimer Dilinoleate (Phytosteryl/Isostearyl/Cetyl/Stearyl/Behenyl), Hydrogenated Lecithin, Arginine, Carbomer, Hydroxypropyl Cyclodextrin, Cholesterol, Xanthan Gum, Tocopherol, Jojoba Seed Oil, Olea Europaea (Olive) Fruit Oil, Oryzanol, Oryza Sativa (Rice) Germ Oil, Hydrolyzed Hyaluronic Acid, Butylene Glycol, Tetrahexyldecyl Ascorbate, Cerebrosides, Hydrolyzed Collagen, Soluble Proteoglycan, Iodopropynyl Butylcarbamate, Fragrance

## Nano Moisture Cream

Water, Glycerin, Butylene Glycol, Squalane, Pentylene Glycol, Hydrogenated Castor Oil Isostearate, Dipentaerythrityl Hexahydroxystearate, Arginine, Carbomer, Hydrogenated Lecithin, Cerebrosides, Tocopherol, Hydrolyzed Hyaluronic Acid, Tetrahexyldecyl Ascorbate, Hydrolyzed Collagen, Soluble Proteoglycan, Phenoxyethanol, Fragrance

## FAQ

---

### Q Can this be used on sensitive skin?

Yes, it is a low-irritation formula. However, if you are worried about whether it suits your skin, please perform a patch test on the inside of your arm before use.

### Q How long is the product usable after opening?

In general, we recommend using it within 6 months to 1 year after opening.

### Q Are there any precautions regarding storage?

Please avoid direct sunlight and high-temperature or high-humidity areas (such as bathrooms), and store at room temperature.

### Q Can I use this during pregnancy or while breastfeeding?

Basically, yes — the product can be used.  
However, due to changes in hormone balance, the skin may become more sensitive, so we recommend testing a small amount first.

### Q Can I use this together with other skincare products?

Generally, there is no problem.  
However, depending on how the ingredients interact, irritation may occur, so we recommend testing a small amount first.

### Q Can I use this product if I have eyelash extensions?

Yes, generally it is safe to use.  
However, please avoid rubbing the eye area too strongly when cleansing.

*\*Depending on the type of adhesive used for the extensions, there may be some effect.*

# Complete Skincare Lineup

※1 Patch-tested, but irritation may still occur for some users. ※2 Based on makeup effect.

※3 Proper Care of the Stratum Corneum. ※4 Age-appropriate skincare.
